

# Booking Your Band in Texas

January 2010

# DALLAS

This work is intended to lower the barriers for musicians to be more successful in their careers. Specifically, this guide can aid musicians in locating and contacting music venues to book themselves live shows.

This guide was compiled over 2009 with the assistance of many people: Lauren Oakes laid the early groundwork for this project in early 2009 by compiling the list for Houston. Katie Brown is largely responsible for the project as it exists today, expanding the listings to cities within a four hour drive of Houston, organizing the data, and fact checking the listings. Attendees of Bandcampus: BOOKING PARTY in July got a first look at the listings and gave it a review for typos and missing information. Those bands and others that deserve thanks are: [Prairie Cadets](#), [Montgomery Walker](#), [Stateside Stereo](#), [Western Civilization](#), [The Favorites](#), , [The Liquid Kitchen](#), [Female Demand](#), [Glasnost](#), [Insert Name Here](#), [Spin Alley](#), [Joe Muscara](#), [The Snake Charmers](#), [April Kyle](#), [Ajit D'Sa](#), [Wayside Drive](#), [Ned Dodington](#), [Grace Rodriguez](#), and last but not least the members of [Caroline Collective](#), and Houston's Creative and Music Community.
